

EVAN
round dining table

The Evan round table consists of an ivory-coloured galuchat scagliola top embraced by a polished brass edge and a cylindrical base with matching galuchat scagliola surface and polished brass inserts.

The elegant galuchat finish strictly applied by hand is enhanced thanks to the polished brass inserts that bestow sophisticated elegance to the table.

This finish inspired by the French tradition of the early 1900s, obtained through an eco-friendly method, is used to coat unique furnishings.

In the images, Evan features a galuchat scagliola finish with G.32 solid colour
