

**GELSOMINA**  
chair with armrest

The Gelsomina chair was designed to match our tables with their fluid, rounded lines. All enveloping and comfortable it is available only in the version with armrests, fully upholstered in leather and in the sample colour palette.

The picture shows Gelsomina entirely upholstered in RL.59 black leather.

## TECHNICAL DESCRIPTION

### STRUCTURE

The seat is upholstered with polyurethane foam of various density.

---

### FINISHES

Non-removable leather upholstery with colours according to the (RL) Rainbow leather sample collection.

---
