

**NATURE**  
table

Our Nature table, characterised by rounded corners and gently curved lines, is available with a textured scagliola finish both on the top and on the bases, brightened up internally with a textured brass sheet, created by way of purely manual processing. It is available in the different colours of our sample colour palette.

The picture shows the squared-shaped Nature table in texturised scagliola in M.08 Forest green colour. The base interior is in handmade textured brass sheet.
