

**RUES**  
decorative panel

Panel for vertical wall decorations, made using bands of textured scagliola in vibrant colours with a linear layout. The irregular surface creates a very interesting visual effect and uses fine strips of leaf to create bright reflections. The alternating textured and smooth surfaces and the effects created with different levels make the panelling both harmonious and dynamic at the same time.

In the pictures, Rues decoration panel in F.01 textured scagliola and silver leaf.
