

DOLCEVITA

occasional tables

The occasional tables in the Dolcevita collection have a softer, slightly rounded shape. They are perfect when used individually, as well as in pairs, to create effects with colours and overlaps. Thanks to the endless combinations available using leather - in a vast colour palette - and textured decorations in the colours from our chart or to suit specific customer requirements, they offer perfect colour combinations with any setting.

The picture shows Dolcevita occasional tables in RL.15 leather and insert top in texturised scagliola
