

DOLCEVITA

2 seater sofa

The two-seater sofa in the Dolcevita collection is all about pure, linear elegance. Designed with a rigid frame, emphasised by the leather upholstery to highlight the stitching as a precious detail that reflects the sartorial workmanship. The frame is made by combining panels with rounded angles and bevelled edges, and is created specifically to house the comfortable cushions.

The Dolcevita collection includes chairs, armchairs, two- or three-seater sofas, and footstools. Dolcevita can be customised from a vast range of colours, with all-over leather upholstery, or with the body upholstered in leather and removable fabric covers for the cushions.

The picture shows Dolcevita entirely upholstered in RL.46 leather.
